DOWNSTREAM

24/7 oil spill response coverage is available
no matter where your operations may be.

Wherever your oil spill risks lie in the supply chain, **Oil Spill Response** expertise and resources are within your reach any time, anywhere.

With more than 100 Members who collectively account for over 60% of the world's oil production, **Oil Spill Response** is entrusted with the important task of providing guaranteed and immediate response to oil spills or potential incidents whenever and wherever they occur.

Membership Benefits – Expertise & Resources

- ▶ Guaranteed and immediate response, 24 hours, 365 days per year
- ▶ Free access to Duty Manager at any time
- ▶ 48 hour complimentary on-site Technical Advisory service for assistance in situation assessment and formulating response strategies
- ▶ Wide area, high volume, aerial dispersant spraying capability
- ▶ Pool of experts with a broad range of skills from planning, training and exercises, through to response and post spill monitoring services
- ▶ Experienced staff competent to operate in Member's central or remote response incident command structures
- ▶ Specialised oil recovery equipment
- ▶ Logistic support with own aircraft for transportation of equipment
- ▶ Access to additional resources including equipment and people through the Global Response Network
- ▶ Authorisation to quote **Oil Spill Response** as a guaranteed resource in oil spill contingency plans
- ▶ Preferential rates for oil spill incidents and public training courses
- ▶ Annual Preparedness Review to ensure familiarity with mobilisation procedures and discuss common response issues
- ▶ Invitation to participate in technical forums and network with spill response professionals
- ▶ Diverse and multi-lingual staff to facilitate communications
- ▶ Positive reinforcement of active collaboration with local and national authorities in support of the International Convention on Oil Pollution Preparedness, Response and Co-operation (OPRC), 1990
- ▶ Access to regional resources and hire of equipment, for both long and short-term projects
- ▶ Pre-existing contracts enable rapid mobilisation and access to credit facilities for chartered aircraft.

Response performance level is defined by the Service Level Agreement

Response services as defined by the Service Level Agreement are guaranteed to Members only.
